

Circle of Courage® Workshop
Harbour Towers Hotel, Victoria, British Columbia, Canada
Friday, April 20, 2012

Reclaiming Youth International is pleased to announce that **Dr. Martin Brokenleg** will present a one-day *Circle of Courage®* workshop at the 2012 Spring Seminars in beautiful Victoria, British Columbia on April 20, 2012. Dr. Brokenleg is co-author of *Reclaiming Youth At Risk: Our Hope for the Future* (with Larry Brendtro and Steve Van Bockern).

The *Circle of Courage®* model draws on early youth-work pioneers, Native tribal wisdom, coupled with youth development research with outlines of the four essential elements every child needs in order to flourish and thrive: belonging, mastery, independence, and generosity.

Dr. Brokenleg presents innovative approaches for building relationships with youth, fostering their self-esteem, and instilling positive values in classroom, residential treatment, counseling, and correctional settings. This one-day *Circle of Courage®* workshop will allow attendees a special opportunity to meet with one or more of the three founders of Reclaiming Youth International, and discover how to incorporate the *Circle of Courage®* philosophy into work or home settings.
